**Blueline Rescue is dedicated to the mission of serving law enforcement personnel and their families in their times of need.**

**We are a community of law enforcement personnel and professions committed to serving those who serve selflessly behind the badge.**

**This site grew out of one firefighter's commitment to resiliency and recovery through connectivity to the entire first responder community.**

**This mission is built on the foundation of connecting law enforcement and their families to trained peer providers and culturally competent clinicians in their times of need. Through education and community, this movement helps provide the support needed to deliver sustainable healing for the law enforcement family.**
